Part 2 has new characters to get to know. See what clues the author left for you about each character. Fill in the chart below as you learn more about each character. Remember, just write words or phrases you find that give you a feeling about each character (descriptions, what they did or said, what others say). For each entry, write the page number where you found it, so you can easily find it again. Find at least three to five clues for each.

SETTING

Besides characters, authors also have to let the reader know the setting (WHERE the story takes place). The author includes clues about the setting. Part 2 takes place in Crystalopolis. List below some clues (& page numbers) you found about the setting, and then draw the your idea of the setting (use pencil, then color in with colored pencils), based on what you learned. You may choose just one part of Crystalopolis: the palace, the school, or the Sorcerer's Mansion, or the Market Square to describe and draw.
